

SPONSORS 2017

PLATINUM

City of Guelph

Guelph is a thriving city of nearly 130,000 people and is ideally situated in one of Canada's wealthiest and most productive economic regions. Guelph Economic Development recognizes that every business requires different services in order to grow and succeed, and we're committed to finding solutions that meet your specific needs. Visit guelph.ca/biz to start a conversation – we look forward to hearing from you!

City of Kitchener

Kitchener has always been known for "making things." In earlier years, it was items like shirts, shoes and tires. As time passed, what we make has evolved, and now Kitchener is known for producing innovative high tech products, including everything from wearable devices to self-driving vehicles.

GOLD

City of Cambridge

Cambridge is a leader within the manufacturing sector. We strive to support our businesses and inspire our youth to pursue careers in this exciting industry.

City of Waterloo

The City of Waterloo is a proud sponsor of Manufacturing Day 2017, an event which enhances the image of manufacturing and highlights manufacturing careers.

Manufacturing Innovation Network (MIN)

The Manufacturing Innovation Network (MIN) is a free online community for manufacturers in the Waterloo Region, including job board and sortable directory. www.wrmin.com

SILVER

Conestoga College

Conestoga is a leader in polytechnic education, delivering a full range of career-focused education, training and applied research programs. Students can prepare for a career in the in-demand, highly skilled world of advanced manufacturing through related apprenticeship trade schooling, certificates, diplomas and Ontario's only college-based, accredited engineering degrees.

BRONZE

Dufferin Board of Trade

The Dufferin Board of Trade (DBOT) is a membership organization that champions a robust voice for the business community in Dufferin County. With over a century as a strong, trusted, and experienced advocate, we are the frontline a resource, ensuring a vibrant, prosperous and innovative business community. We are a non-profit organization comprised, supported, and directed by the very organizations that we represent.

Town of Orangeville

The Town of Orangeville's Economic Development office offers resources and support for emerging, new and existing businesses in Orangeville and the surrounding area. Businesses that are undergoing development, growth, change, or relocation can take advantage of a full range of economic development services. Visit www.orangevillebusiness.ca to learn more about Orangeville's small town charm and "big city" amenities.

Wellington-Waterloo Community Futures Development Corp.

Promoting economic growth in the County of Wellington and the Region of Waterloo, we offer three types of services including business financing (for startups, small business expansion, and community projects), an award-winning business training program and Community Economic Development.

County of Wellington

Wellington County is where your business can prosper and your employees can genuinely enjoy where they live. Connect with Wellington County Economic Development to learn more about the Live and Work Wellington initiative, Wellington Means Business resources, Experience Wellington Festivals and Events, and Taste Real Local Food.

Visit the Wellington County Job Board at www.wellington.ca/jobboard.

Town of Erin

The Town of Erin is located 80 kilometers north west of Toronto, offering small Town charm, with big city connections. In the Town of Erin, we seek sustainable growth through responsible development. The Town of Erin's Economic Development initiatives and team are serving as a catalyst for change and expansion.

Through their sponsorship and investment in Manufacturing Day, the following have built new relationships, extended their brand and positioned themselves as manufacturing leaders.

This project is funded in part by the Government of Canada and the Government of Ontario.
